

¿Cuáles son los médicos que no están cubiertos por nuestra Política de Asistencia Financiera?

La mayoría de los servicios brindados por los médicos en las instalaciones de Cleveland Clinic están cubiertos por la Política de Asistencia Financiera (Financial Assistance Policy, FAP) de Cleveland Clinic, como se describe a continuación.

Los médicos que trabajan en cada instalación que no están cubiertos por el FAP están identificados en la lista de proveedores adjunta, por nombre y por instalación hospitalaria en la que ejercen.

La lista también está disponible en línea en clevelandclinic.org/financialassistance, en todos nuestros Departamentos de Emergencia y áreas de admisiones, y a pedido si llama al Servicio de Soporte de Primera Línea al Paciente (Patients First Support

Services, PFSS) o si consulta a un asesor financiero para pacientes de Cleveland Clinic.

Instalaciones del este central de Florida.

Todos los servicios de los médicos, ya sea que se brinden en el hospital o en un consultorio médico, están cubiertos por la FAP porque los médicos son empleados de Cleveland Clinic. Esto también es cierto en todos nuestros Centros de Cirugía y Atención Médica del este central de Florida.

Algunos de los médicos que brindan servicios en nuestros hospitales trabajan en consultorios privados. Sus servicios están fuera de la cobertura de nuestro FAP. Usted recibirá una factura de nuestra parte por los servicios del hospital, y una factura separada de parte de estos médicos

por sus servicios. Los nombres de los médicos cuyos servicios no quedan cubiertos por la FAP, están enumerados bajo el nombre de cada hospital regional en el que ejercen.

Instalaciones del sudeste de Florida. Los servicios de los consultorios médicos de Florida Clinic quedan fuera de la cobertura de la FAP. En Florida Hospital, los servicios de emergencia y otros servicios determinados que los médicos empleados por Cleveland Clinic brindan en el hospital están cubiertos por la FAP. Los pocos médicos que brindan servicios en Florida Hospital que no están cubiertos por nuestra FAP están enumerados bajo el título "Florida Hospital".

Este listado es efectivo a partir del 07/01/2020 y se actualiza trimestralmente. Si no encuentra a un médico en esta lista y desea verificar si esa persona está actualmente bajo la cobertura de la FAP de CCHS, comuníquese con el PFSS al 866.621.6385.
